# BUSINESS REFLECTION FOR THE LEADER

1. What is the clear 'purpose' of your organization – what impact you want to make in the world as an organization?

---

---

2. What CORE strengths your business posses? How can you 'leverage' them more?

---

---

3. What are the 'competitive advantages' of your business?

---

---

4. What are the 'sunrise' fast growing products / services/ business areas (significant growth potential) in your industry?

---

---

5. Have you defined Five Year Vision & Yearly Milestones for the business as whole and its verticals?

---

---

6. Do you have Objectives and Key Result Areas (OKRAs) defined for each of the business functions?

---

---

7. Is your business equipped to address 'technology' disruptions that may arise?

---
